## L'EAU NO.6

The evolving Chapter of L'EAU merges the sinuous flowing lines of late 19th-century Art Nouveau with the bold spirit of Art Deco. It combines soft femininity with strong shapes in a new juxtaposition. It stands as a testament to the act of creation - that channels historical inspiration with forward optimism.

## L'EAU NO.6

L'EAU No.6 stands as a statement oversized table lamp, characterized by its heavy hand-formed elongated cylindrical shape, anchored by a sculptural base that adds an elegant finish. This piece beautifully funnels light upwards, with a soft, diffused illumination. Each commission is made to order and unique.
