L'EAU NO.9

The evolving Chapter of L'EAU merges the sinuous flowing lines of late 19th-century Art Nouveau with the bold spirit of Art Deco. It combines soft femininity with strong shapes in a new juxtaposition. It stands as a testament to the act of creation - that channels historical inspiration with forward optimism.

L'EAU NO.9

L'EAU No.9 is our large directional wall sconce. Its angular elongated shape is adorned on each side by gestural reliefs. Thick slabs of ceramic stoneware are hand-formed, making each piece uniquely striking.
