TECHNICAL SPECIFICATIONS

HENRII

Éden No.2

The Éden collection embodies a distillation of form, crafted from our hand-selected glass, where tonal shifts in cream and white drift between translucence and opacity, revealing depth and texture as light passes through. The collection draws on the spirit of Pierre Chareau's alabaster luminaires and the understated refinement of Jean-Michel Frank's furniture, where simplicity is elevated through exquisite materials such as parchment and shagreen. Éden is conceived with thoughtful consideration and seamless ADA compliance.
