LUCIENNE NO.9

The Lucienne Collection stands as a manifestation of past craftsmanship and modernity, where historical inspiration from Mackintosh and Moser coalesce in austere simplicity and refinement. Guided by stylized ironwork and delicately patterned accents, this series embodies purity and understated elegance.

LUCIENNE NO.9

Lucienne No.9 exudes elegance with its long, slender shape, gracefully resting on a softly illuminated plinth. This table lamp is adorned with square glass details on both the plinth and base.
