L'EAU NO.9

The evolving Chapter of L'EAU merges the sinuous flowing lines of late 19th-century Art Nouveau with the bold spirit of the Art Moderne Period. The series of works distills these elements into a collection marked by nuance and a resolute modernist aesthetic. This collection embodies strong gestural movements, with a steadfast hand to simplicity and elegance.

L'EAU NO.9

L'EAU No.9 is our hanging pendant, available in two sizes. Its hand-formed ceramic stoneware bowl offers a soft, voluminous shape that cradles an upward light. Sculptural handles provide a graceful balance, adorned with cream tassels and rope for a refined finishing touch.
