

HENRII

Uves No. 36

TECHNICAL SPECIFICATIONS

HERBII

Yves No. 36

Yves, our new collection of expansive ceiling pendants. Composed of rolled sheet glass and held in a delicate grid-like formation of parchment glass cells, the form carries both structure and softness.

Subtle stepped detailing resolves at the tip with a round glass finial, quietly anchoring the geometry. Along the face, small spheres of translucent emerald glass introduce a measured rhythm, each one applied by hand with spatial precision.

MATERIALS

ROLLED SHEET GLASS, PATINATED SILVER ALLOY

APPLICATION

CEILING MOUNT PENDANT

TYPE

HARDWIRED

VOLTAGE

120V - 240V
