Arcis No.1

TECHNICAL SPECIFICATIONS

HENRI

Anais No.1

Anais No.1 in ivory unites structure and ornament in the spirit of early modernism. Hand-cut opalescent glass fans outward from a patinated black base, its softened translucency shaping layered light and subtle tonal shifts. Each panel, assembled with traditional stained-glass techniques, balances angular geometry with rounded, stone-like tips — an elegant dialogue of precision and presence.

MATERIALS

ROLLED SHEET GLASS, PATINATED SILVER ALLOY

APPLICATION

WALL MOUNT SCONCE

TYPE

HARDWIRED

VOLTAGE

120V - 240V

SOCKET

TYPE E26/E27, MAX 75W

BULB
