TECHNICAL SPECIFICATIONS

HENRI

L'eau No. 7

L'eau No. 7 is a hand-formed pendant in unglazed ceramic stoneware, shaped into a softly contoured, bell-like silhouette. A sculptural flourish echoes of classical ornamentation, from which a twisted cord gracefully emerges. The matte surface accentuates the raw integrity of the medium, revealing subtle variations in texture. Warm light issues from the open underside, balancing function with a quiet, sculptural presence.
